Re: Orange Velvet Design

I have worked closely with Melanie for the past 3 _ years on a multitude of projects. She is a true professional. Melanie always meets her deadlines, provides excellent creative design, and has a pleasant and positive attitude.

We have worked together on trade show graphics, brochures, posters, photo shoots and our website. She is truly talented and has design skills that are unsurpassed. Melanie was also very instrumental in helping TDI Power to rebrand ourselves, a very arduous task.

It is a pleasure working with Melanie. She can make the most mundane tasks fun. I would recommend her to anyone in the market for graphic design. Undoubtedly, they will be pleased with her work. Additionally, her rates are fair, unlike using ad agencies. Melanie has a place at TDI Power for as long as she wants to work for us.
