RE: Orange Velvet Design Studio, LLC

To Whom it Concerns:

I represent Fox GERI: Geriatric Education & Research Institute, a small 501(c)3 not-for-profit company founded in 2007. In June 2008 I began working with Orange Velvet Design Studio to develop, launch and maintain our website www.foxgeri.org. I have been very pleased with the professionalism and creativity of Orange Velvet Design Studio. As this was my first time developing a website, Orange Velvet guided me through every step of the process, providing recommendations and suggestions. Orange Velvet consistently responded to my many questions and update requests in a timely manner. I was able to meet my goal of establishing a website for Fox GERI expeditiously and on a reasonable budget.

Again, I am very pleased with the services of Orange Velvet Design Studio and I highly recommend their services.

If you have any questions, or need additional information, please feel free to contact me at mimi.jacobs@foxgeri.org.

Sincerely,

Mimi Jacobs, PT, MPT, GCS, OCS
